**What Happens Next**

**6-Session Study**

Learn what the Bible says about heaven's time-line in a way that will empower you to face the future with confidence and hopeful expectation!

The world feels fragile. Every day we hear of wars, famines, natural disasters, and strife. Jesus said that "all these are the beginning of birth pains" (Matthew 24:8) as we move toward the end. At the core of the gospel are life-giving promises for followers of Christ worth exploring!

Join us for a wise and reassuring overview of what the Bible has to say on a topic that's not meant to scare you but rather, to prepare you! "What Happens Next," is dedicated to understanding God's plan for the End Times and how it impacts our lives today.
